GROWING

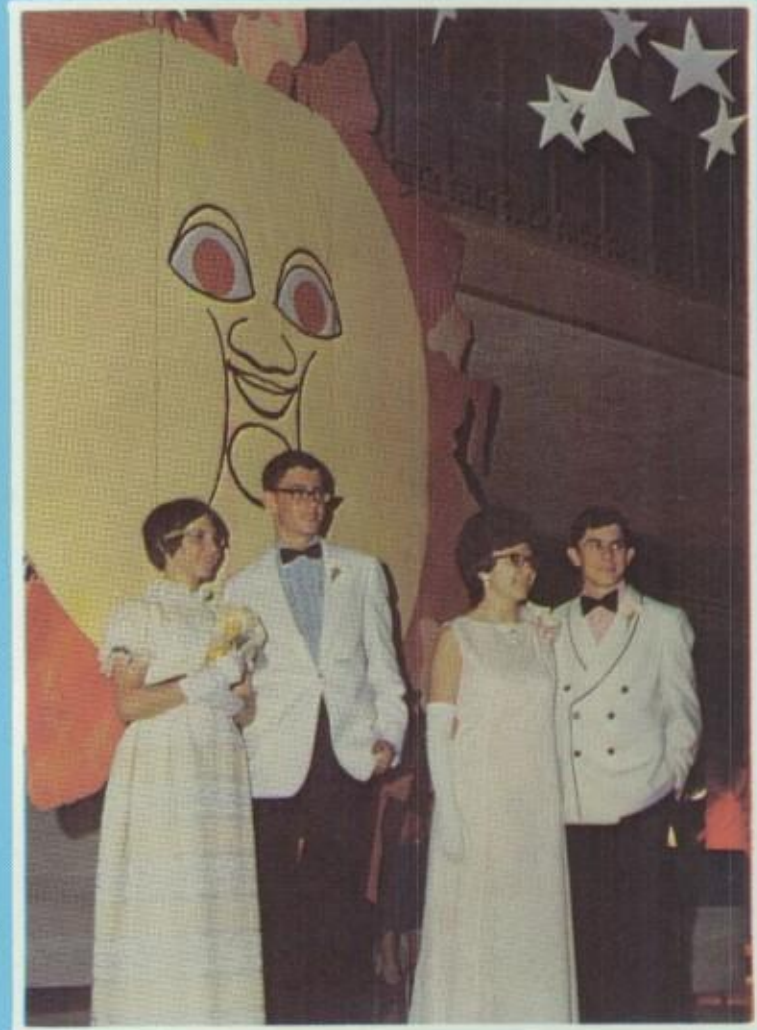

"I find the great thing in this world is not so much where we stand, as in what direction we are moving."

Oliver Wendell Holmes

PROM

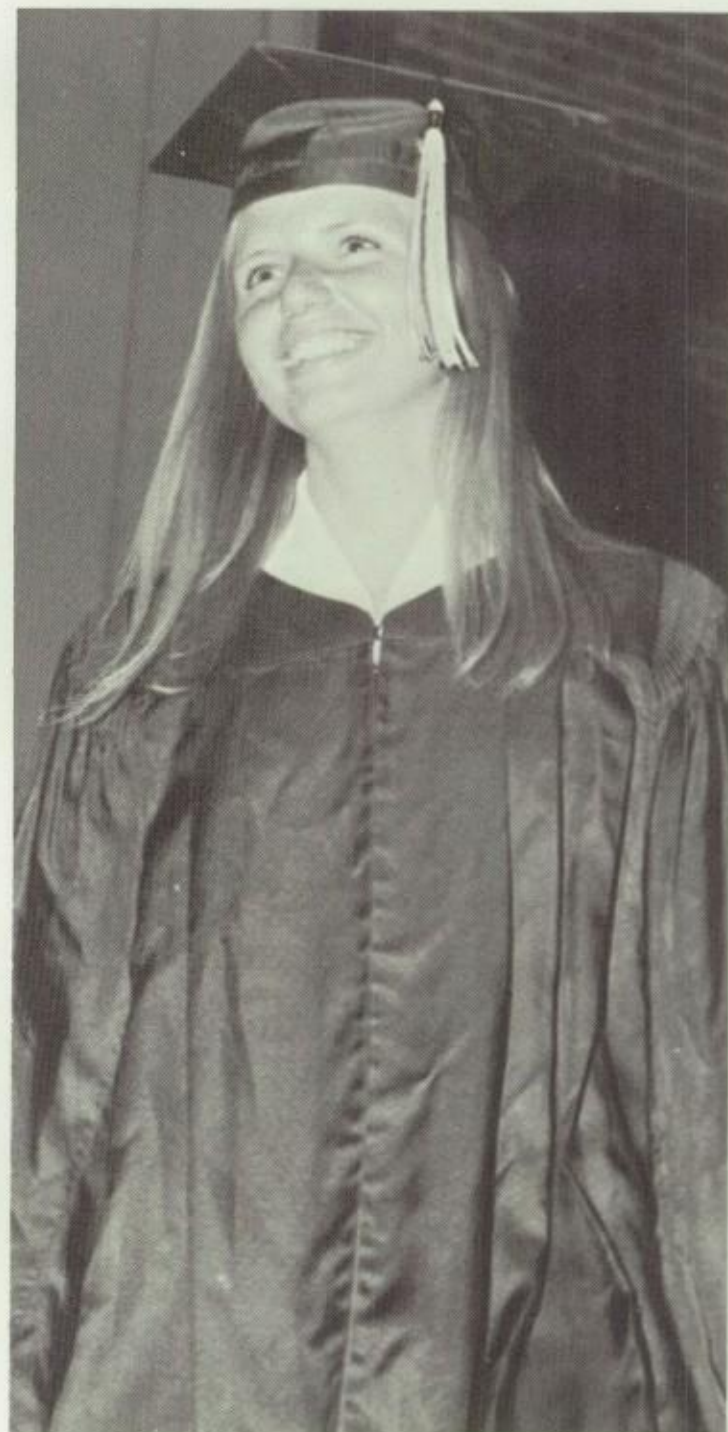

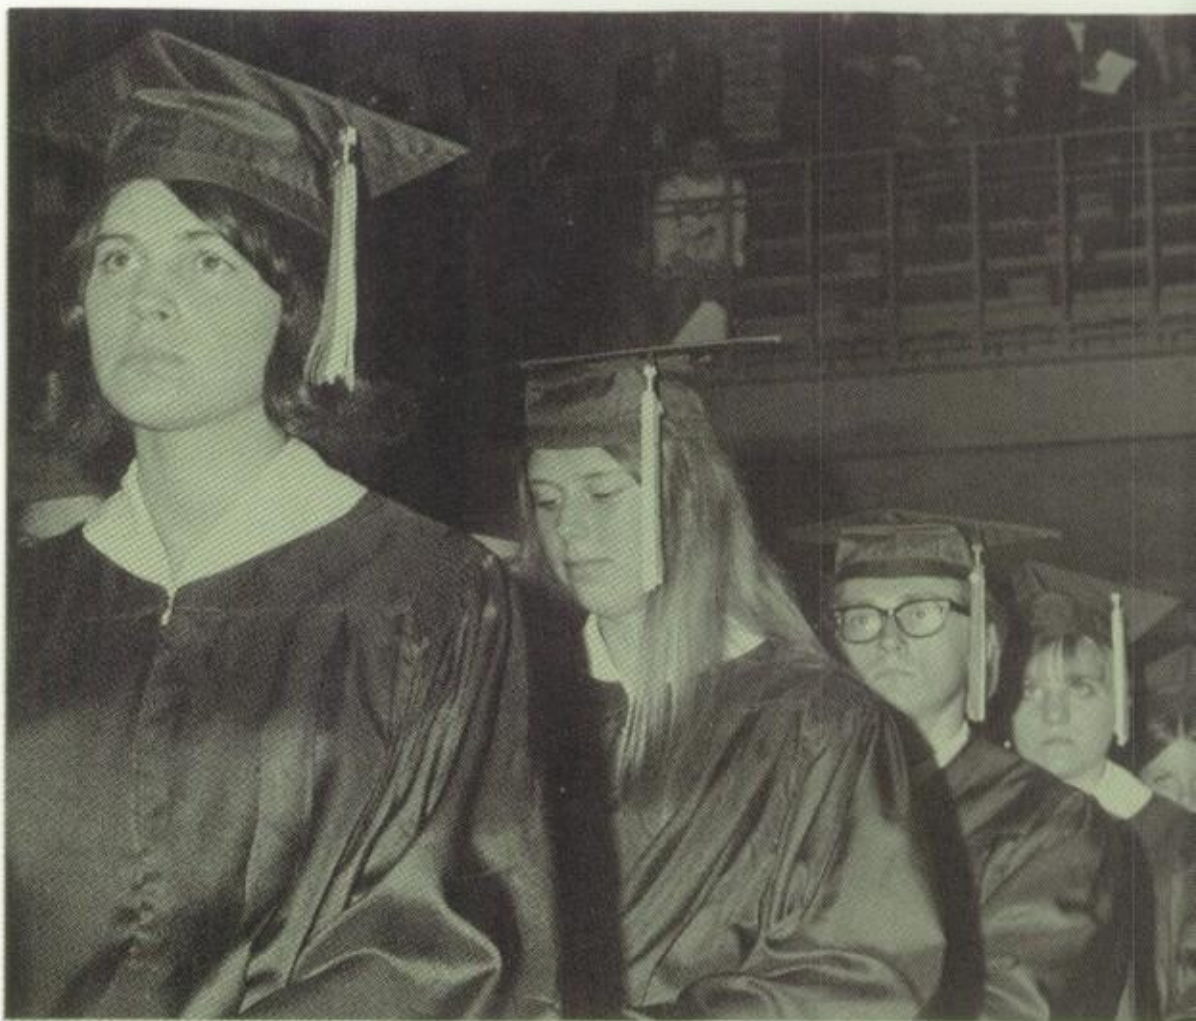

The Horizon of Stars were not all in the warm June sky at Prom 1970. Many of them dangled from the gym ceiling, and a few were seen sparkling in the eyes of EHS students. The junior class spent weeks in designing and painting posters for the walls, while parents concentrated on plans for Post Prom held at the Embers, where the decorative theme carried out an astrological signs of the zodiac motif. The unofficial parties after the prom took seniors into many of the resort areas in northern Illinois and southern Wisconsin.

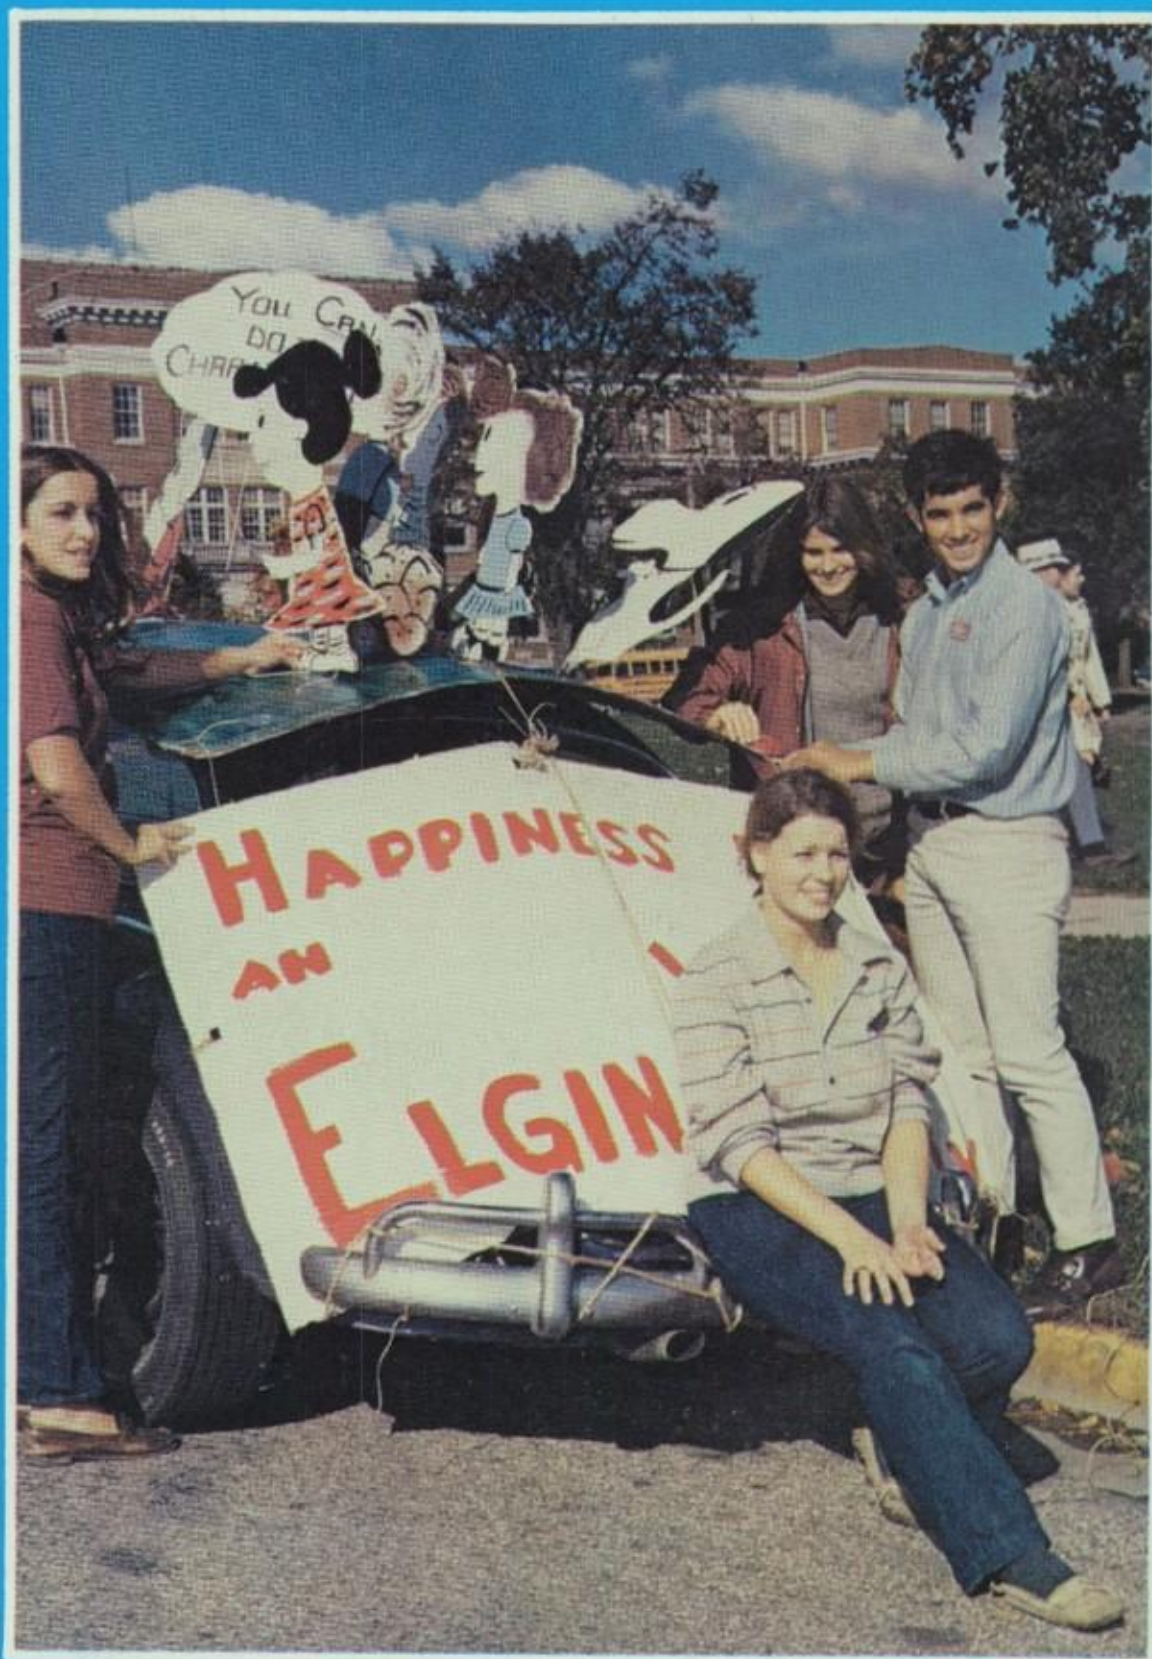

Graduation

It was a proud time; for parents, teachers, and most of the students. This was the setting for graduation 1970. The sadness of leaving behind friends, laughter, themes on books you never read, lunch hours, and poker games in the senior lounge. But graduation was also a time for excitement; the college careers that lay ahead, and the joys and sorrows of expanded friendships and a bigger world.

HOMECOMING

HOMECOMING

A Homecoming without rain? Elgin fans thought they'd never see one, but when the team went out to meet their old rivals, the East Aurora Tomcats, they played on a dry field and cool autumn night.

The annual festivities started out early on the afternoon of October 9, 1970 when some of the students of E.H.S. presented a Charlie Brown skit, letting the audience join in with cheers and songs to take the place of the long lost pep assemblies.

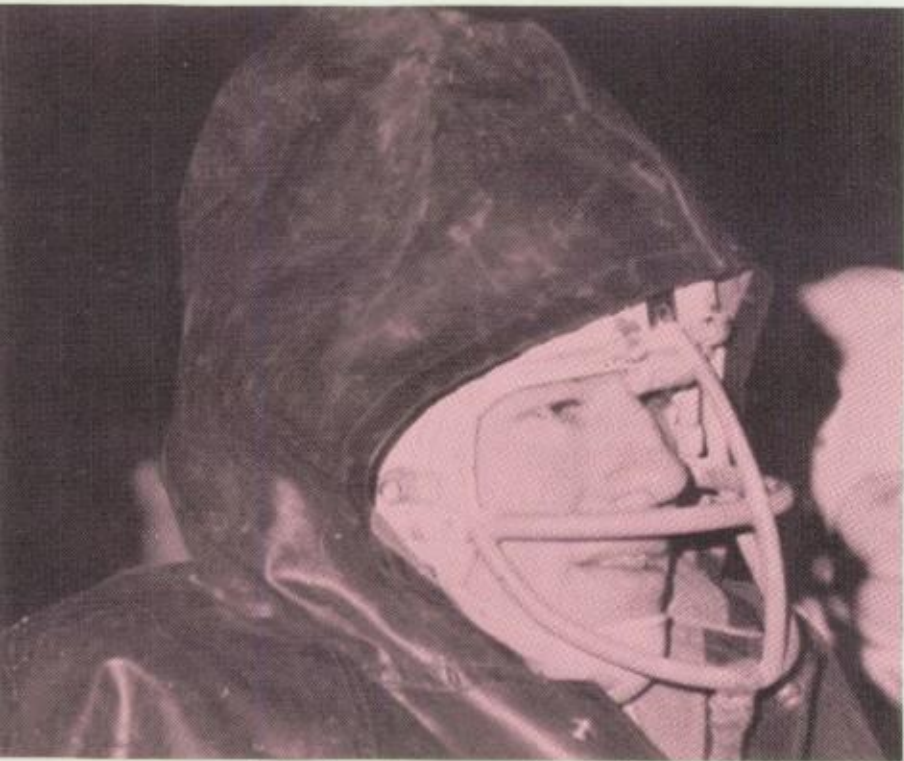

Even the Homecoming parade came through with sunny skies. All the floats took their place in line and showed the people of downtown Elgin what the students of their oldest high school could really do. All the organizations carried out the theme of "Saturday Night at the Movies". All took hard work and showed it, including the first alumni float.

After the parade, all was made ready for the game. The goalposts were decorated and the floats were lined up for judging. The weather continued to hold out as the team ran on the field. Mums covered the bleachers with big Maroon E's in the center. At half time, Mr. Alexander crowned Terri Roth and Mark Clemens to reign as Homecoming queen and king. The band marched and played the tune "Yellow Balloon" while the pom pon girls performed to "Mission Impossible". The only factor missing was a victory when the Tomcats rolled over Elgin with a score of 27-8.

Terri and Mark hosted the annual dance which began after the presentation of the tiarra to Terri and the loving cup to Mark. The gym was decorated with movie gimmicks of all kinds, done by students that gave up their Saturday afternoon to prepare the downstairs for the second festivities of Homecoming 1970. A group played which consisted of many alumni of E.H.S.

On Sunday most of the senior class turned out for the class barbecue at Memorial Field. There was free food which naturally brought out the crowd, and the regular sports of football and grass fights.

All three days of activities made for one Homecoming the students and faculty of Elgin High School should never forget, and a big hand goes out to each and every one who made it a success.

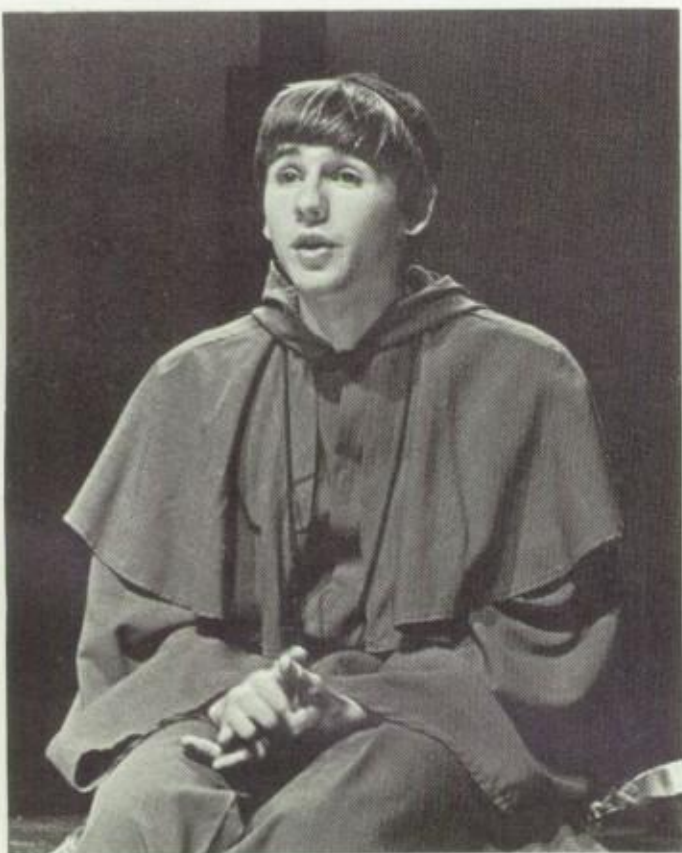

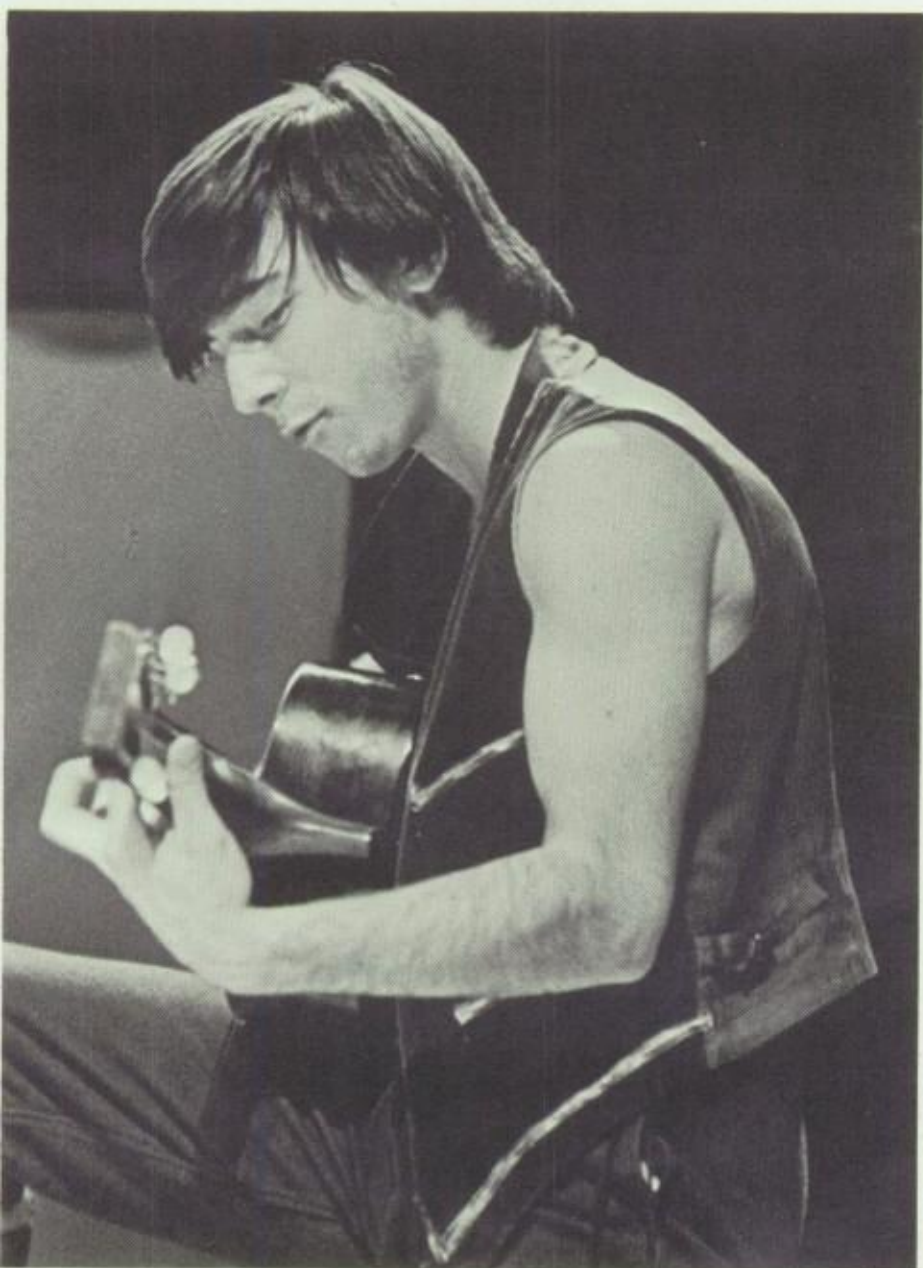

MAN OF LA MANCHA

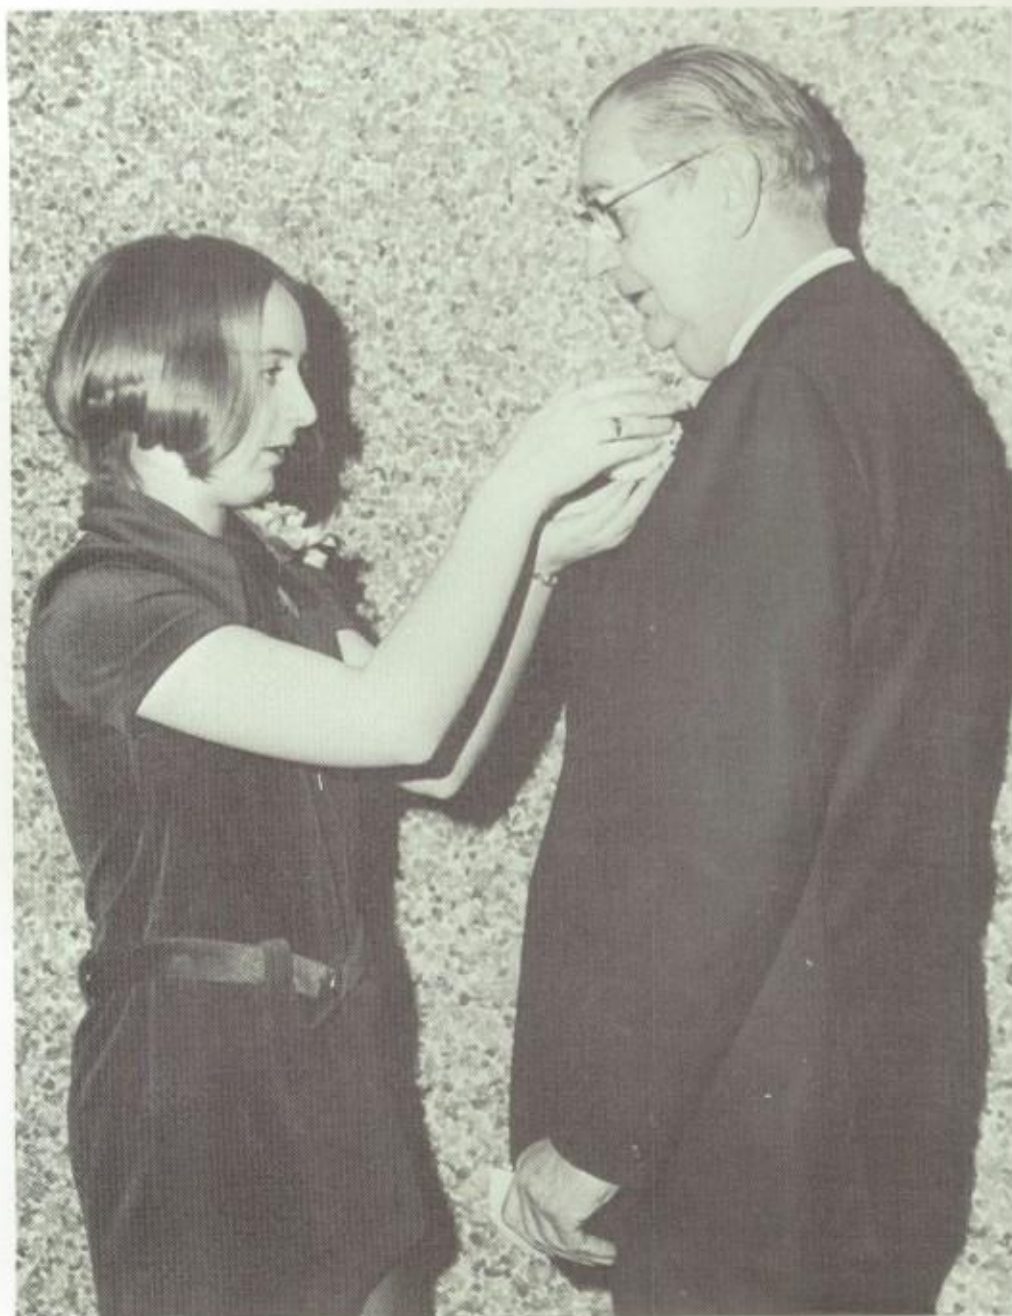

The lights dimmed, a hush fell over the crowd, thus was "The Man of La Mancha." Possibly the most outstanding student dramatic event in EHS history, "Man of La Mancha" was directed by Mr. Raymond Goettsch and musical direction was led by Mr. Charles Beckman. The cast and crews rehearsed long hours for the production of the play. "Man of La Mancha" was recently released for amateur use. However a touch of professionalism was added by the rented costumes which were used, along with the staging of the play at Hemmens Auditorium.

The plot deals with Don Miguel Cervantes, who is imprisoned during the Spanish Inquisition. He has with him the complete script of Don Quixote, which the inmates threaten to destroy. In return for the unharmed script Cervantes presents his play with the prisoners taking part in it. His book, Don Quixote, concerns an old ideological man who sets out on a quest to right the wrongs of the world.

The audience never lost in attentiveness as they were constantly confronted with the brilliantly done musical numbers; "Man of La Mancha" and "The Impossible Dream" sung by Don Quixote and Sancho Panza. "Aldonza" and "Dulcinea" were sung by Aldonza, with the entire company joining in with the "Impossible Dream".

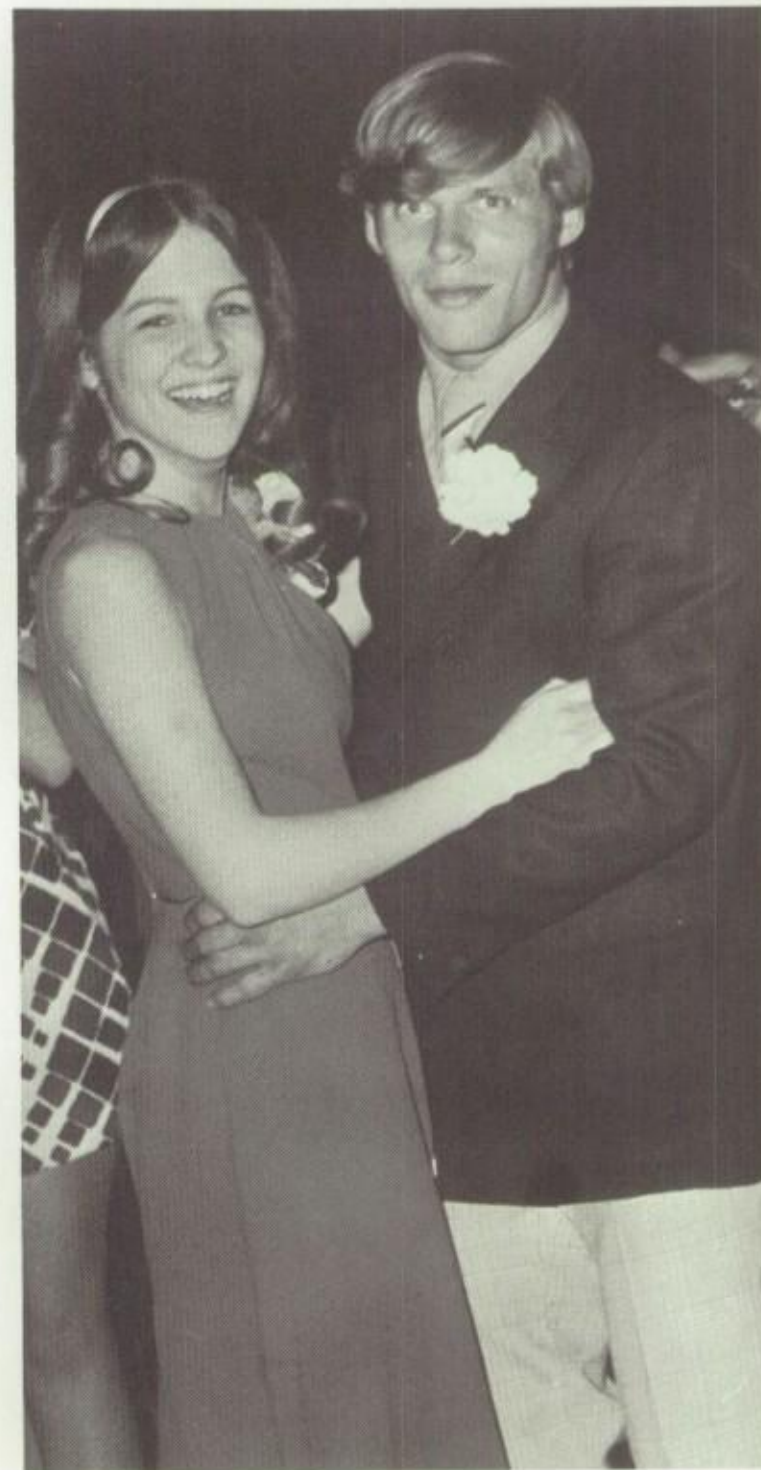

DAD 'N DAUGHTER

"Those Were the Days" was the theme for this year's Dad N' Daughter Date Nite. Hostess Pam Eskey began the evening by welcoming the dads and daughters. The coke bar and roast beef dinner were provided by the Embers, with Levi and Debbie Lathen providing the laughs. Later on the Boys Ensemble surprised the audience, and Kathy White, with some songs and ad-libbing. All this added up to one date that won't be forgotten by either the girls or their fathers.

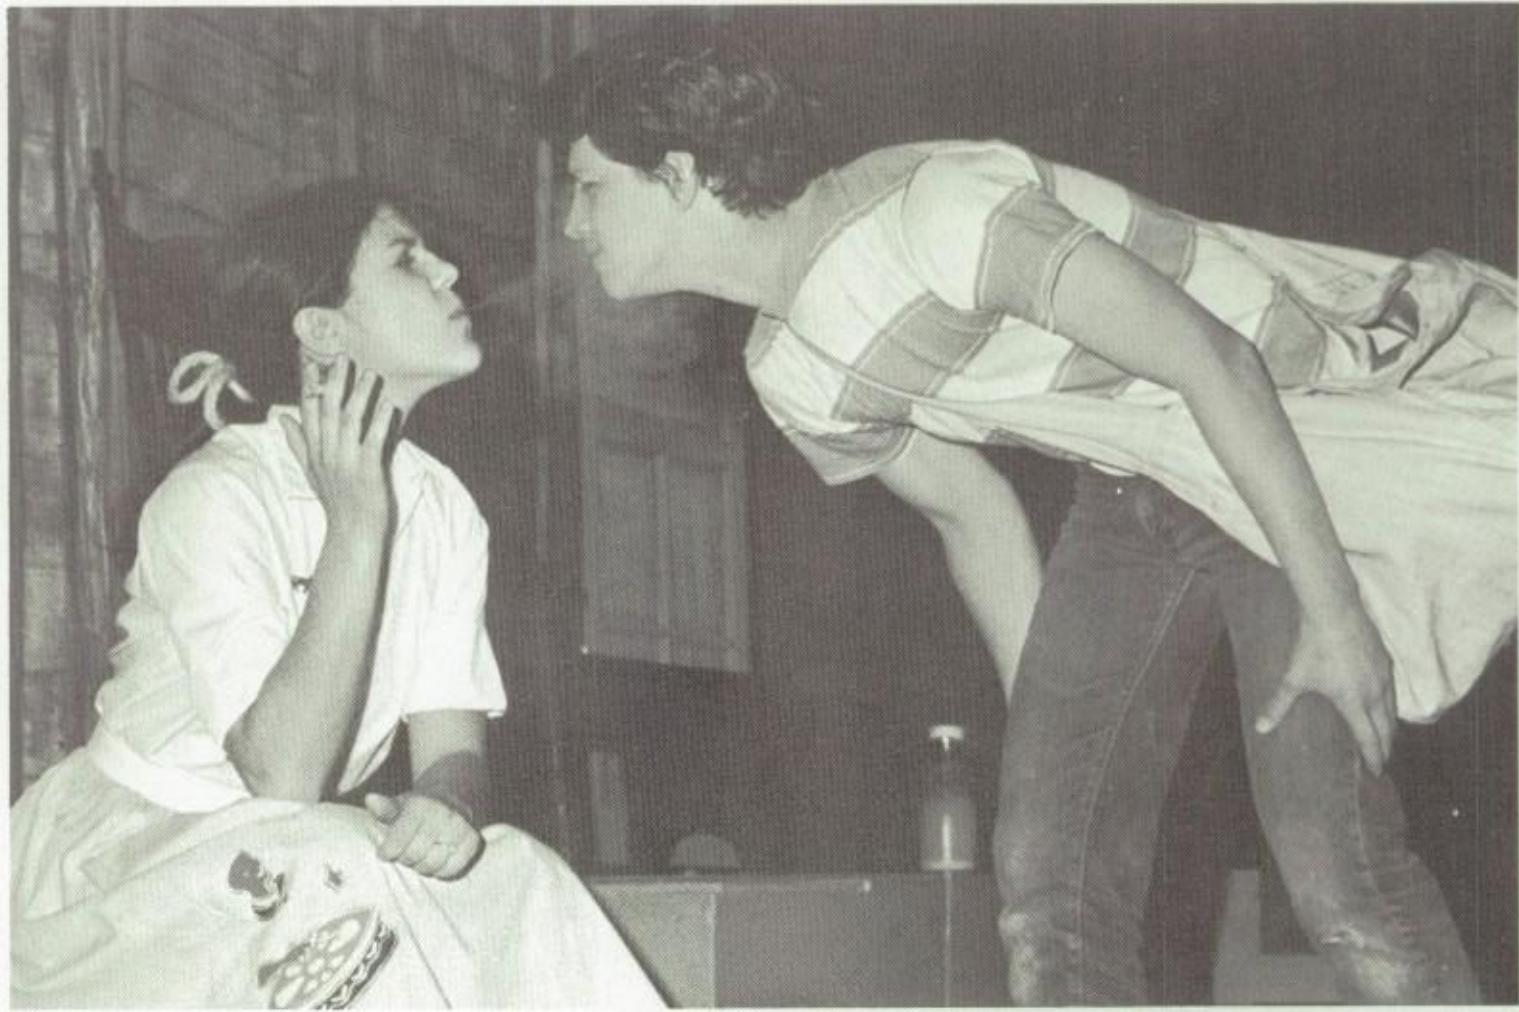

TURNABOUT

Once again, girls had a chance to ask that "special" boy to the annual Turnabout Dance held in April.

This year the Girls' Club made many changes from earlier years. The dance was held at the Blue Moon Ballroom instead of the high school gymnasium. The theme of the dance was Puppy-Luv. The evening consisted of a buffet and dancing with the music provided by the Jasmine. Chairmen for the dance were Kathy White and Karolyn Welu.

"PICNIC"

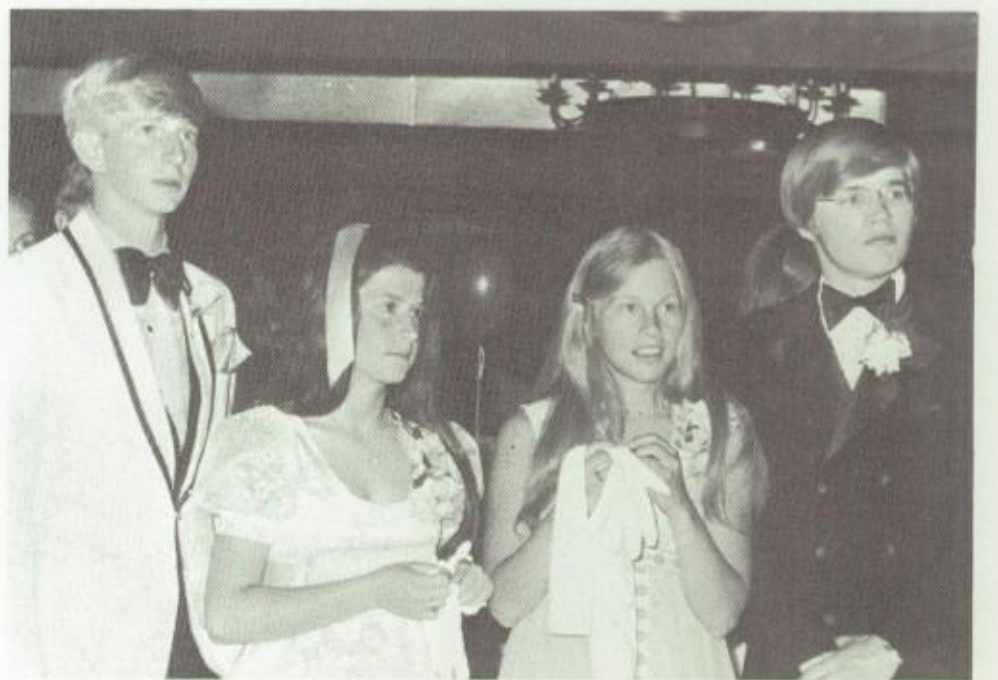

For the second time this year Elgin High presented an outstanding play. The selection went to "Picnic", the story of a small town and the aspirations abandoned and fulfilled by the people who lived there. Sara Templeton played as Madge Owens — a girl of great beauty, but lacking the excitement and love which meant an eventful life for her. Ned Rifken was Hal, the young vagabond who was only to followed by troubles, and Madge. Mr. Raymond Goettsch acted as faculty director, while Steve Kuehl assisted as student director. The effect of their joint efforts, the hard work of cast and crews made Elgin High's production of "Picnic" just that.

PROM

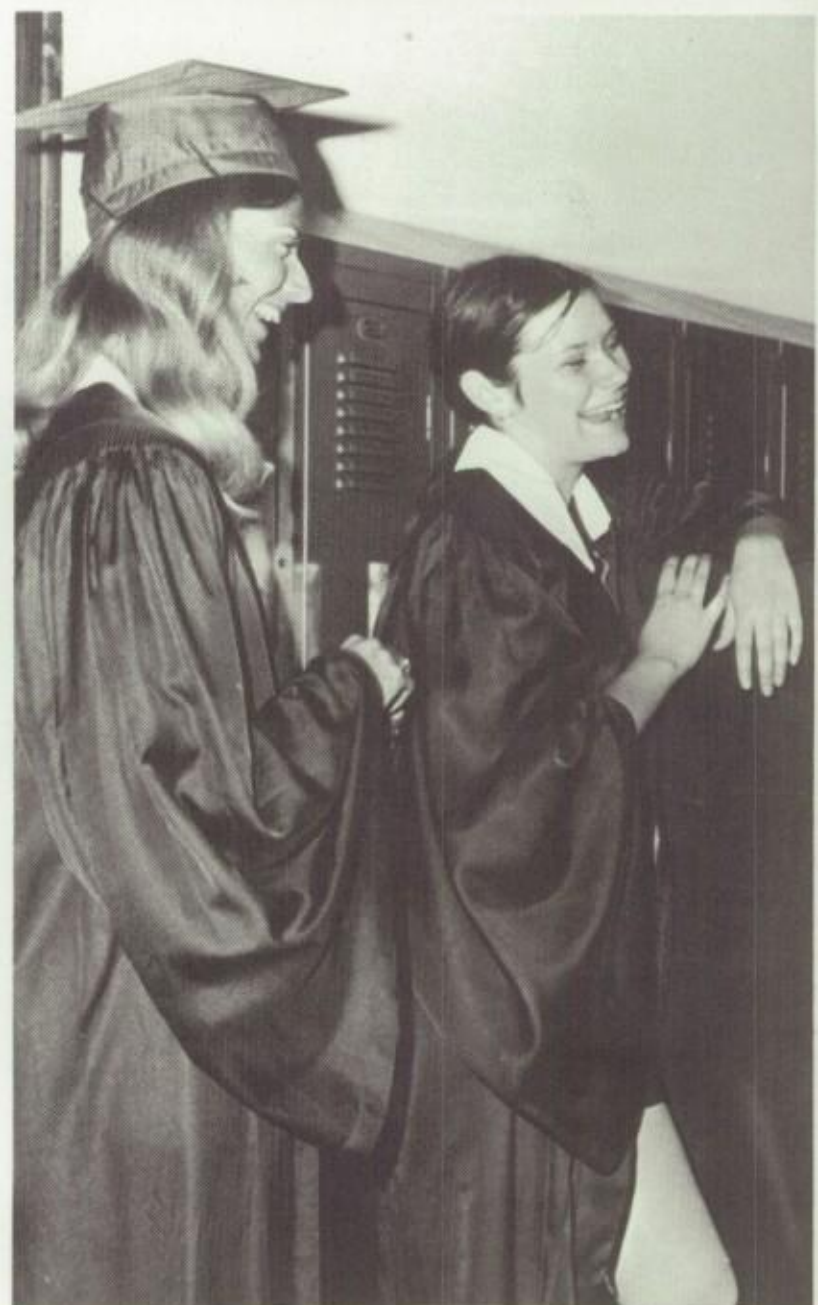

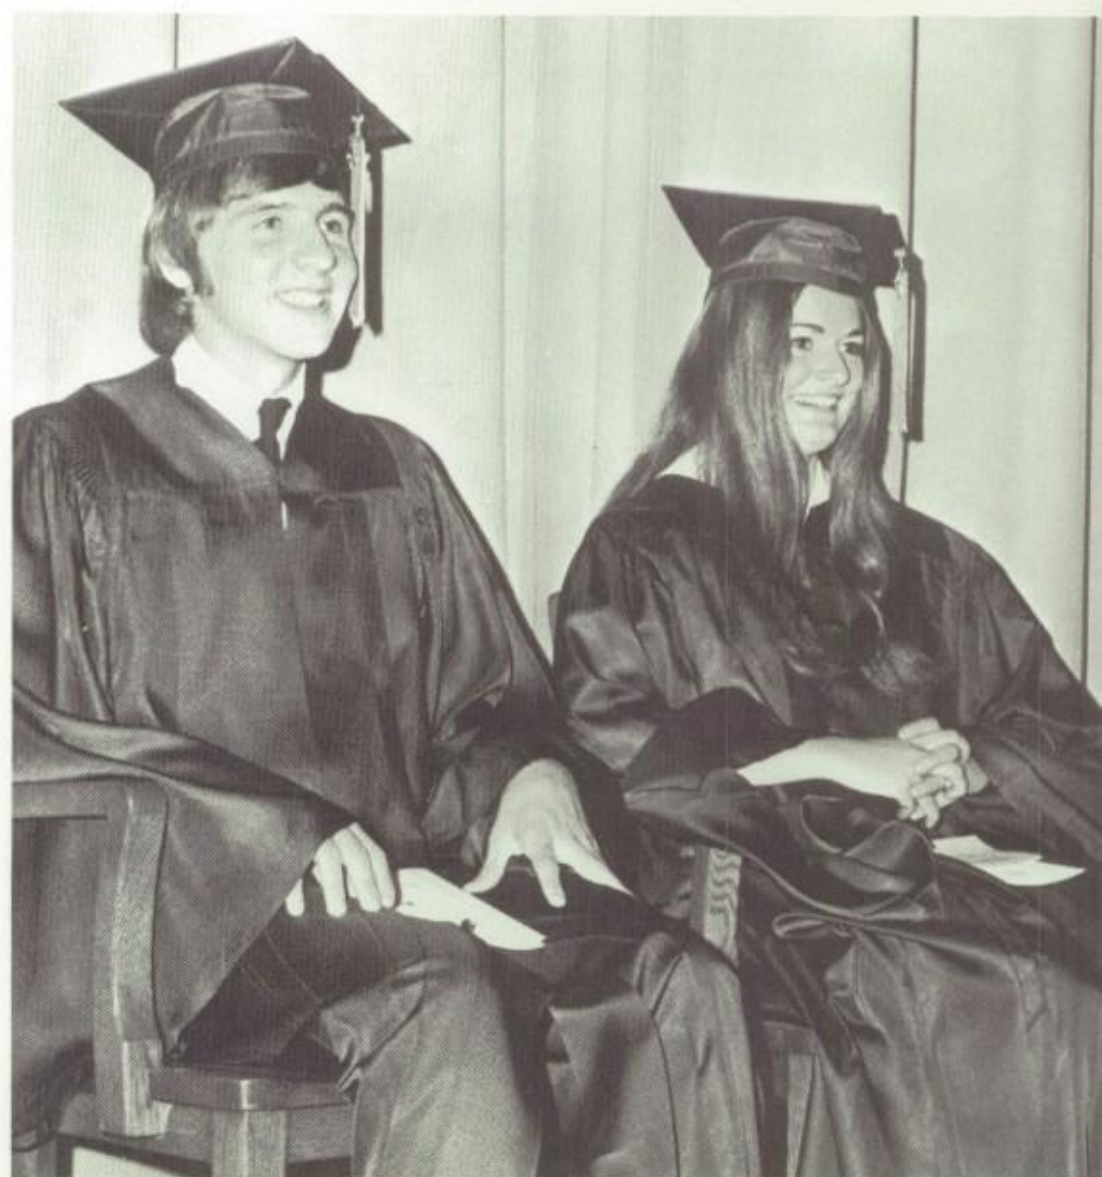

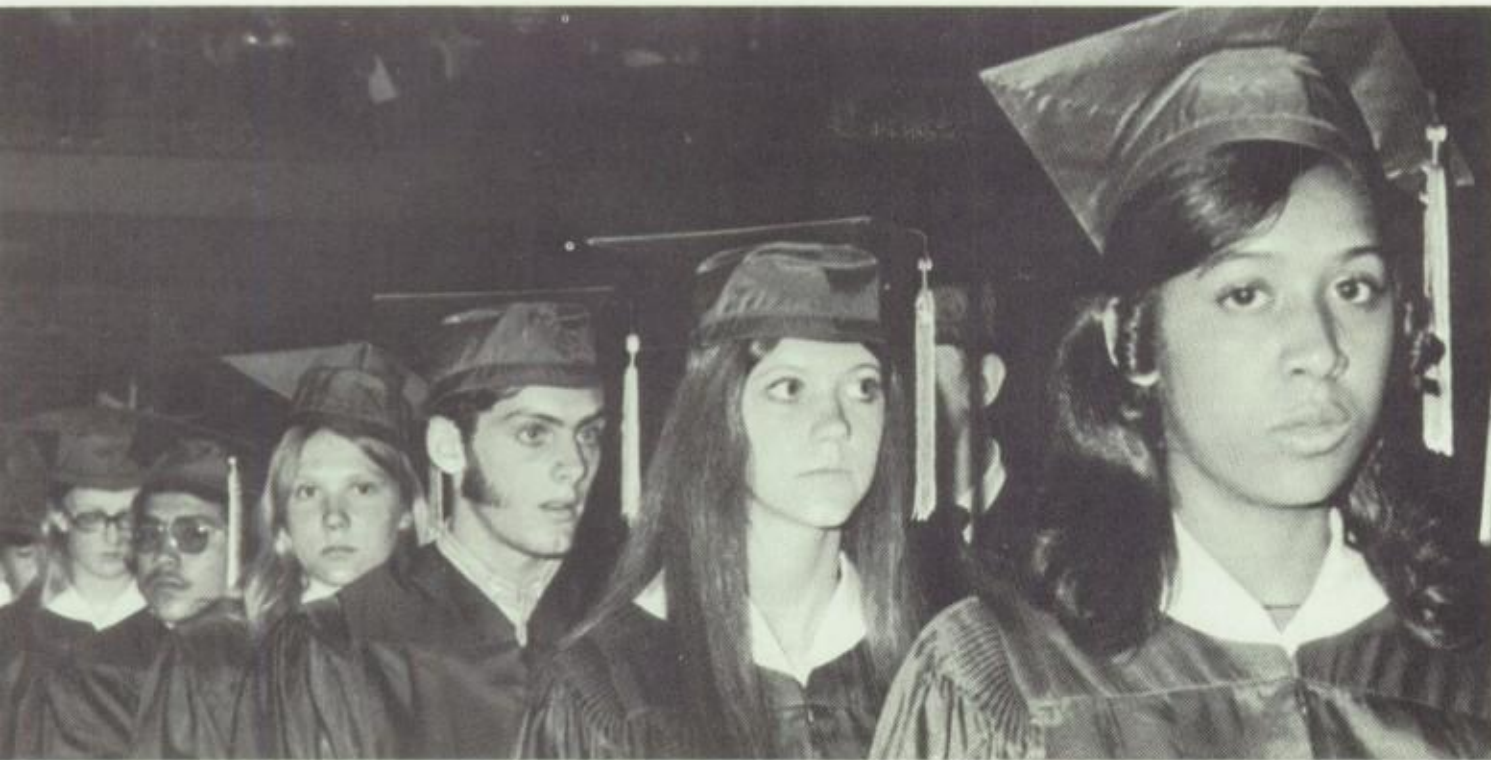

The Eiffel Tower, fountains, flowers, this was the setting of Paris and Prom 1971. But the atmosphere was not all due to the decorations, the combination prom and post-prom were held at the Blue Moon instead of the EHS gym. The juniors and many parents contributed long hours of flower making, bridge building and balloon blowing towards the prom. The entertainment was provided by the Seven Seas and a hypnotist, who proved to be as spellbinding as the prom itself.

GRADUATION

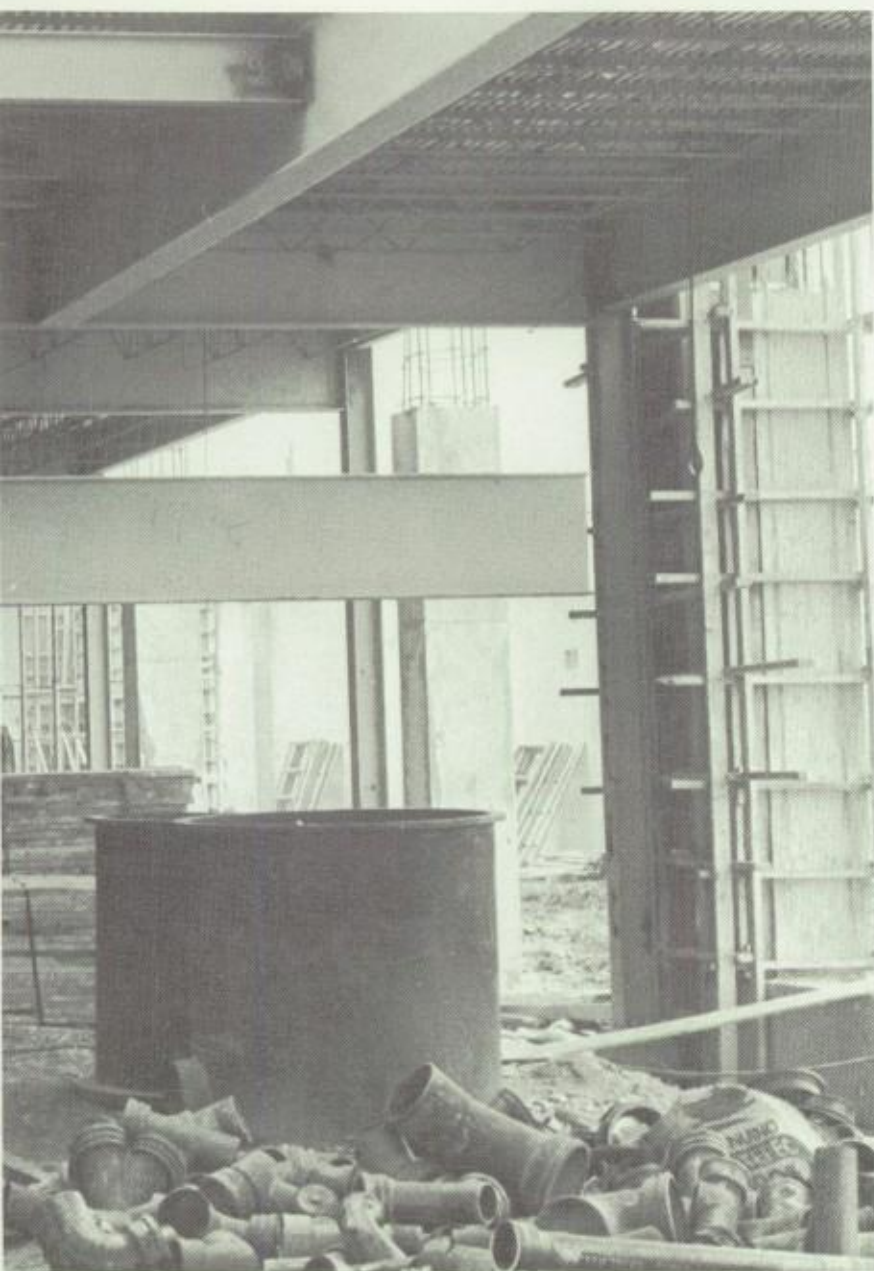

As school ended and graduation approached the Class of '71 put its final projects into affect. The class supper, baccalaureate, recognition assembly, and graduation were all part of the process which ended one life style and began another. The lost football games, and bad report cards will fade as the good remembrances of EHS remain. With these memories and hopes for the future, the seniors of the 99th graduating class will pass from EHS leaving behind a record not to be equaled or excelled.

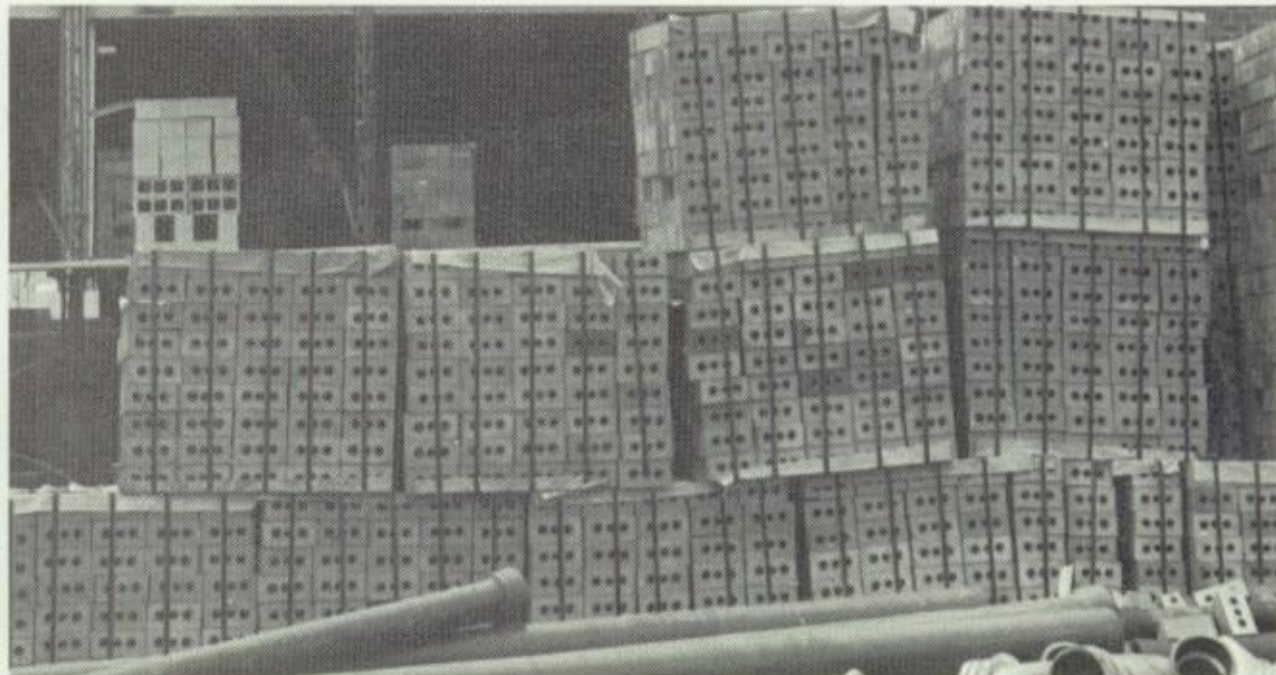

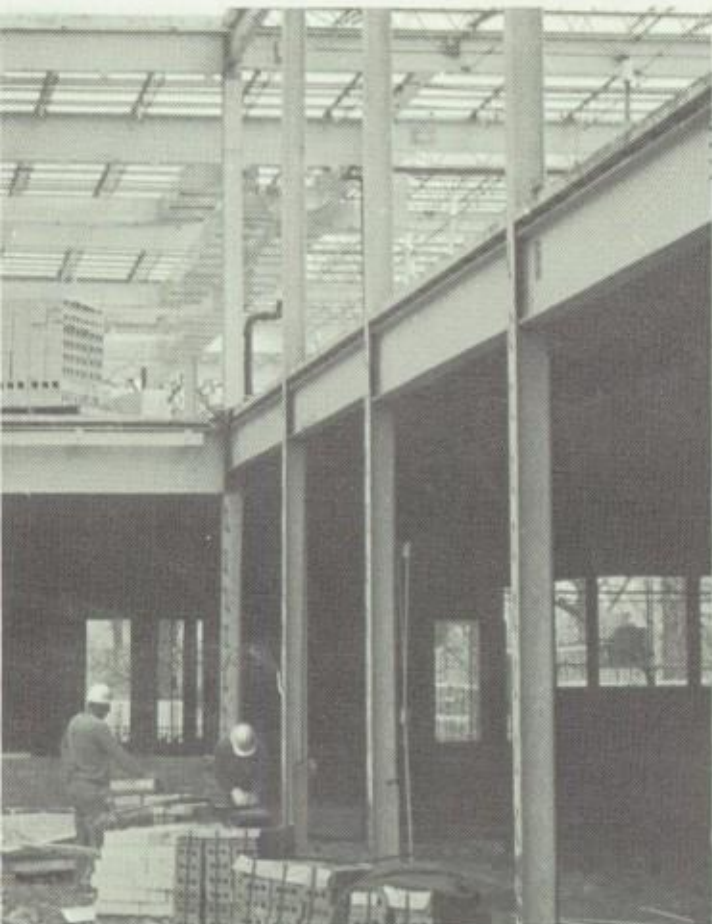

EHS OF THE FUTURE

The new EHS. The foundation has been laid, girders secured, and the cement is being poured. But more than a physical foundation has been formed for the new high school. An attitude is being formed also. One which will be transplanted from the 100 year old structure on Du Page to the new one on Route 19. A lot of problems will be solved with the completion of the new EHS, however a lot more will remain. Enthusiasm, participation will be the ground work for the new high school. With a module system being put into effect it will be even more difficult for students and administration to get together. School could easily become a punch card factory. But down to this — your environment is what you make it. The new EHS could be a learning center made up of more than just books. People and experiences could make it much more. Concern begins with yourself and then spreads to others. It is the foundation of getting along and perhaps the one for the new EHS.

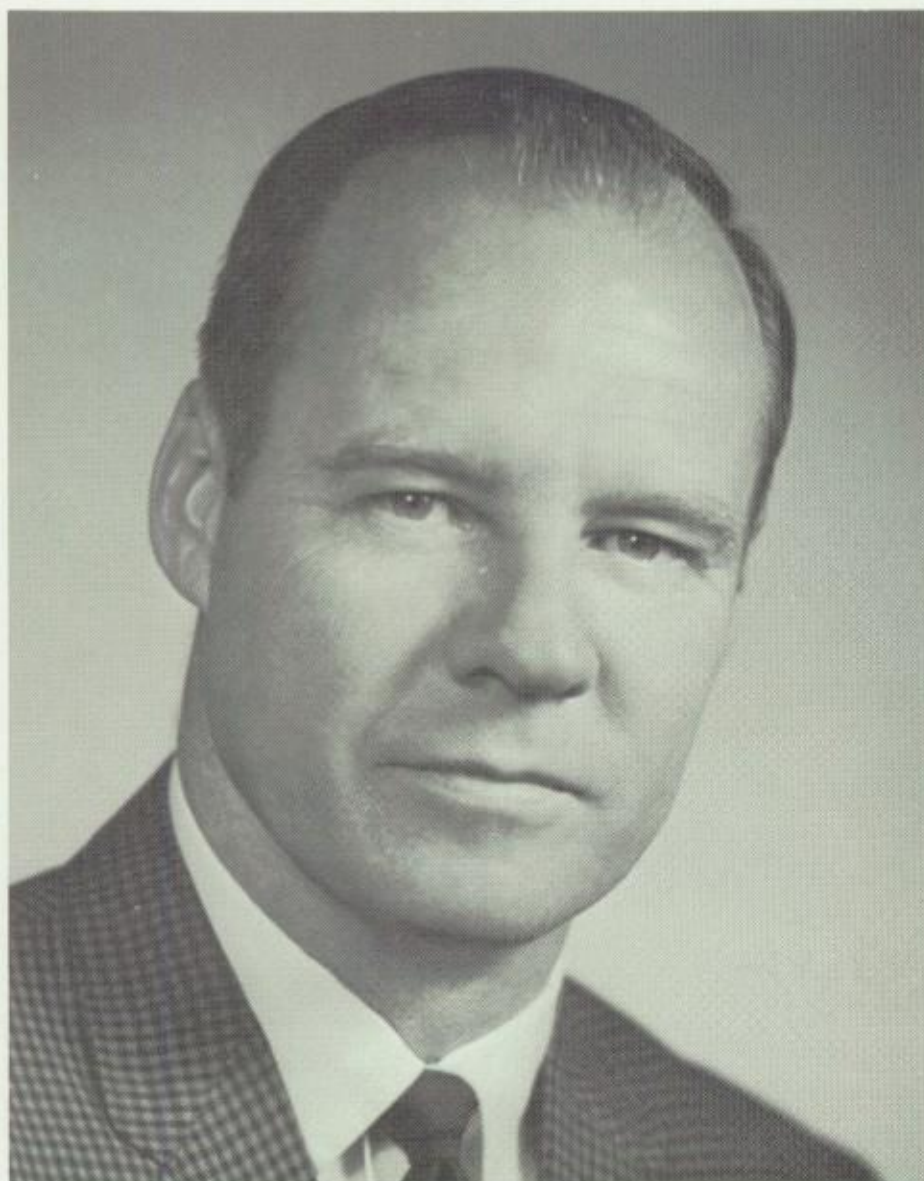

PERSONALITIES

Principal Chester Alexander

"When the moon is in the Seventh House,
And Jupiter aligns with Mars —
Then Peace will guide the planets,
And Love will steer the stars.
Harmony and Understanding,
Sympathy and trust abounding,
No more falsehood or derisions:
Golden living dreams of visions —
Mystic crystal revelation,
And the mind's true liberation.
This is the dawning of the Age of Aquarius . . . "
Harmony and understanding, with each other;
sympathy and trust abounding; no more falsehood —
a good, honest look at ourselves — do we "cop
out"? Are we filled with empty phrases?
Peace on Earth, thru Love . . .
The Age of Aquarius!
Can we discipline ourselves to make the dream
a reality?

Chester Alexander

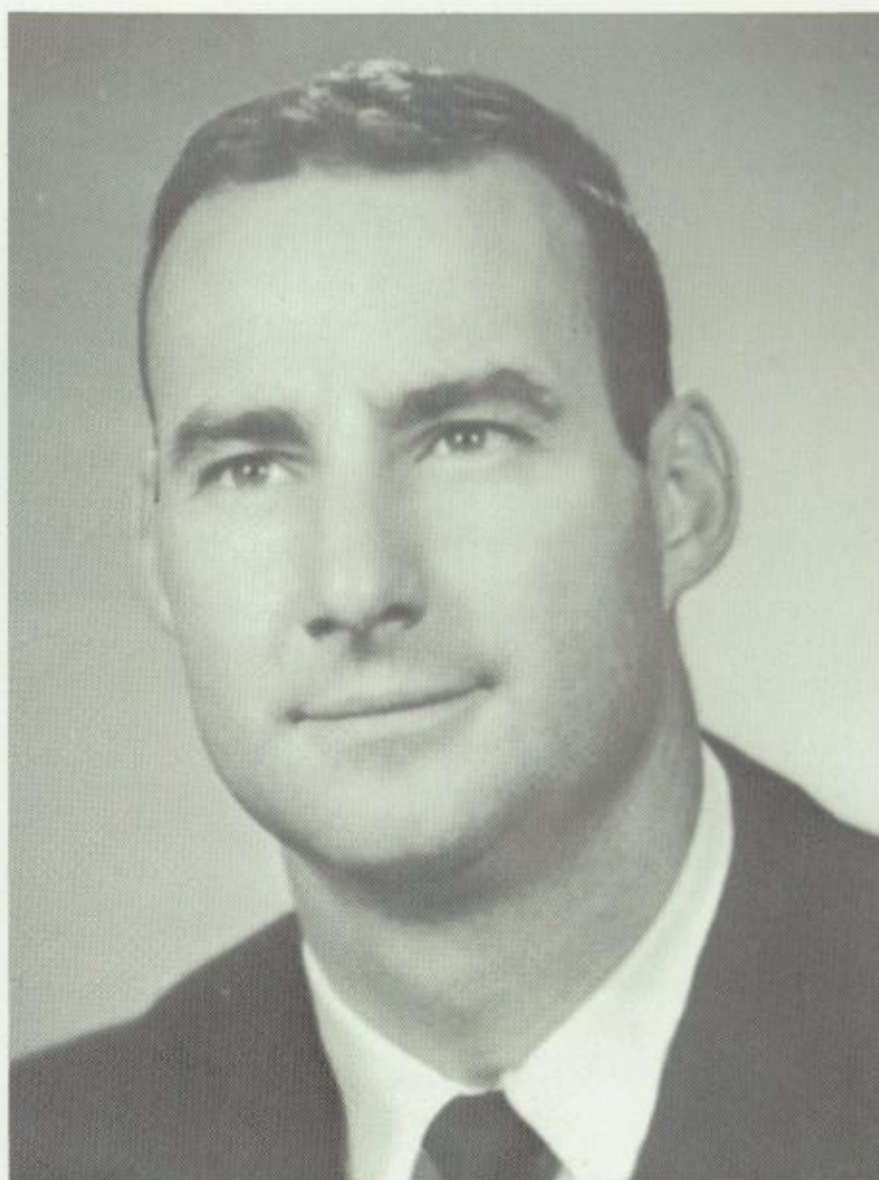

Assistant Principal
Donald Quillman

"... Not having to say you're sorry" might well be one of the most significant phrases of the seventies. It represents the basis for a good self-image and the ultimate in human relations.

Controlling our individual actions and statements so that they fit this phrase is a goal for which we should all be reaching. Even though we never reach the goal completely, the resulting improvement in how we might see ourselves and others would undoubtedly be worth the effort.

Don Quillman

Dean Of Students
James Entwistle

Our society needs individuals who feel free and independent but who are nevertheless willing to do what is expected of them. We need individuals who will fit into society without friction, who can be guided without force, who can be led without leaders and who can be directed without any aim except the one to "Make good". It is not that authority has disappeared, or even that it has lost its strength, but that it has been transformed from the overt authority of force to the anonymous authority of persuasion and suggestion.

J. Entwistle

SEATED; LEFT TO RIGHT: Henry Tschappat, Dr. Paul Lawrence, Superintendent; Theodore Akemann, President; Robert Skelly, Secretary-Treasurer. STANDING; LEFT TO RIGHT; E. Grant Swick, Richard Smith, E. C. Wilson; Dr. Eugene Blair.

BOARD OF EDUCATION

Two changes were evident in the makeup of the 1971 Board of Education. Mr. Robert Skelly, assistant superintendent, was chosen to fill the vacancy created by the retirement of Mr. Willard Beebe as Secretary-Treasurer to the Board. Mr. Beebe had served the district for more than forty years. The other new Board member was Mr. Henry Tschappat, who had served previously as a member of this august body and who was elected to replace Mr. Levi Lathen, who did not seek re-election.

A continuing problem facing the Board is the rapid rate of growth of our school district. New buildings to be constructed, additional faculty to be hired, hundreds of new students to be transported — these are just a few of the myriad problems facing these men in their hundreds of committee meetings during the year. The major permanent committees this year were Finance and Auditing, with E. C. "Bud" Wilson as Chairman; Educational, chaired by Richard E. Smith; Properties, Dr. Eugene Blair serving as chairman; and Insurance, E. Grant Swick, Chairman. Mr. Theodore Akemann was again chosen to serve as the President of the Board of Education, a position he continues to dignify.

CLASS OF '71

On the wings of Pegasus, the senior class of '71 soared to new heights. Many outstanding seniors created spiritual "forget-me-nots", beginning in September as homecoming activities got under way. Plans began in the summer and continued many long hours into the night to make "Saturday Night at the Movies" an outstanding memory for the entire student body. The seniors also planned the class supper and graduation activities. Responsibility for the success of Homecoming and various other Senior activities can be credited to this year's all volunteer class council who assisted President Bob Lea; Vice-President Pat Chamberlain; Secretary Rita Kozak; and Treasurer Diane Farmer.

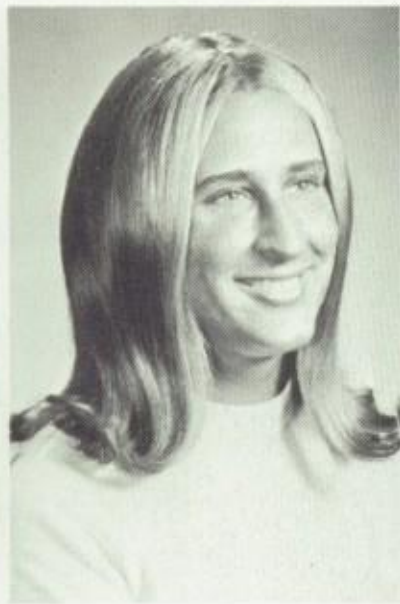

The seniors built a model of Achievement for the lower classmen to follow.

CLASS OF '72

The class of '72' began their junior year by carrying out a program of great unity and tremendous school spirit. Under the new leadership of Mrs. Adyt and the class officers, Lynn Guetschow — President; Mary Pat Hirshberg — Vice President; Kathy Jones — Secretary; and Marta Rose — Treasurer, the activities of the past year centered the all important prom. All members of the class council were chosen on a volunteer basis with requirement of willingness to work.

"We'll find a way or make one" the class motto, led the members of the class of '72' to undertake the selling of '72' and '73' T-Shirts, sponsoring the class breakfast and selling Class Mugs.

Maroon and More

Indispensable to the staff was advisor, Mr. Daniels.

Open Campus situations made it difficult for the Maroon staff to keep all its members here until three o'clock, but nevertheless, the 1971 Maroon did get to press. Amid the jumble of layouts, typing, deadlines and snacks, the staff produced one of the few E.H.S. yearbooks which has used color. Other changes in the book included spot color and special effects. Advisor, Mr. Daniels, Editor, Sue Ketcham, and Business Manager, Terri Stout, led the rest of the staff in making the 1971 Maroon a complete and colorful yearbook.

STUDENT COUNCIL

The purpose of the Student Council, as stated in the new Constitution, was to unify the administration and student body. This year was different from previous years in that the meetings were open to anyone who was interested. The reason for this was to get only the students who were willing to work, on the council. The sponsor this year was Douglas Hoeft. The president was Pat Driscoll, Vice-president — John Pappas, secretary — Betty Dominquez, and treasurer — Ellen Daniels.

The Council provided meaningful activities for the student body, and an outlet for student views on the workings of the school. It provided projects in the community which were of service and co-ordinated the school's social activities. Some of the many activities the council sponsored were the student directory, the two sock-hops, the Easter Seal Campaign and C.Q. trips. The council was also responsible for the sounding board, the road-rallies, picnics and the environmental committee.

E-CLUB

E-Club is an organization dedicated to making athletics at Elgin High School better in any way. The club did consist of members who were required to have one major varsity letter, or two minor junior varsity letters. Taking into consideration the changing of the times, the only requirement now is limited to being an athlete. Under the guidance of Mr. Chesbrough the club undertook such projects as selling seat cushions, windbreakers, and sponsoring several sporting trips. The most important project was to raise money for a weight machine to keep our athletes in top shape.

A cast of thousands!

PEP CLUB

Under the leadership of co-chairman Lani Frandsen and Mike Wasinger, and sponsor Mr. Chesbrough, the Pep Club this year has organized the spirit and pride of EHS. Their purpose was fulfilled by selling pins, sponsoring pep buses, and having pep rallies. The club has more than doubled its attendance from last year, which shows that EHS does have pride on its side.

CHEERLEADERS

With a cheer in their hearts, this year's Elgin High School cheerleaders strove to maintain school spirit. These 12 girls under the direction of Mrs. Toni Zimmerman and co-captains, Julee Ackemann and Ann Kramer, spured on school spirit and good sportsmanship at all athletic events.

The Varsity and Junior Varsity cheerleaders were chosen in the spring of last year for their ability, poise and natural enthusiasm. They attended a camp in the summer for new ideas and cheers to promote pep, enthusiasm and loyalty. Pep assemblies were held after school before important games.

Pep and Spirit in Elgin High School will be only as great as the students make it. The cheerleaders, however, tried to boost the spirit for the Mighty Maroons.

POM-PON

By performing at school athletic events, the Pom-Pon squad has helped promote the school spirit which backed up the efforts of our teams.

The twenty girls selected in spring tryouts practiced daily to perfect their routines. This year, they met as a class with Mrs. Turek as their advisor. Diane Weidner was chosen by the group as captain and Marta Rose as co-captain. The songs the squad performed to included Aquarius, Hair, Can-Can, Big Spender and Bill Bailly.

G.A.A.

1971 proved to be another successful year for GAA. Under the leadership of advisor Maxine Turek, the club provided more activities for its increased membership. Programs in gymnastics, basketball, tennis, and various other sports gave the girls a sense of competitiveness and sportsmanship. Car washes, bake sales, and a T-shirt sale were all ideas which provided the club with enough funds to sponsor play days and other activities.

GIRL'S CLUB

Girl's Club, like many other student organizations this year, opened its membership to any interested girls thus abandoning its elected council. Meetings were usually held at the homes of President — Kathy White, Vice-President — Pam Eskey, Secretary — Karolyn Welu, or Treasurer — Bobbi Van Alstine on weekends when plans were made for the many activities the club sponsored. Among the projects worked on were the selling of mums at Homecoming, Dad n' Daughter Date Nite, and Turnabout.

Editors, *LEFT TO RIGHT*; Janice Whiting, Kris Iverson, Helga Skrastins, Jay Burstein, Mark Wisser, Dan Prysmaki, Tryst Anderson.

MIRROR

High School Newspapers seldom have the opportunity for growth, but this year's Mirror proved that it could change as rapidly as the times.

Under Editor in Chief, Tryst Anderson, the paper increased in size, advertising, and brought forth some new columns. The Teachers View, People Who Care, and Inside Sports were all interesting additions to the Mirror. Another change in this year's paper was the quality of type which made the Mirror even more readable. Through the efforts of the editors, staff, and advisor Mrs. Kuntzlemen, the 1971 Mirror grew in pages and popularity.

SKI CLUB

The newly formed Elgin High Ski Club provided an opportunity for EHS students to participate in the exciting and challenging sport of snow skiing. The club was open to all interested students, who were willing to try their luck on the slopes of Buffalo Park in Algonquin.

Under the leadership of club advisor Miss Hunter and President, Terry Steinmetz, ski lessons were arranged for those members who wanted them. With the success of the ski club this year, it is hoped that it will provide skiing enjoyment for EHS students in the future.

PEP BAND

Pep Band plays a major role in the enthusiasm of the crowd at all home basketball games. Under the direction on Ross Lowe, a senior, they played at many events such as pep rallies, assemblies, and of course basketball games.

The students in the Pep Band should be recognized for their school spirit and talent, and the time they spent on this extracircular activity.

1,2,3 FINE ARTS

New to this year's organization section is the 1,2,3 Fine Arts Club. The club, headed by Mr. Browning, opened its membership to students interested in the arts. This included the fields of drama, music, and of course, art. Members were given the opportunities to research and enjoy their own interest through field trips. Attendance to each show or concert was not required, thus providing the students with a choice of which activities they wanted to participate in and what trips would prove the most beneficiary to them.

A.F.S.

The American Field Service is an international organization sponsoring foreign exchange students in high schools across the nation. This year Elgin High was privileged in hosting two foreign exchange students.

Lolly Saavedra, who is from Bolivia, stayed with the Beth Brunton family. Lolly who came to Elgin High as a Rotary exchange student, was active in A.F.S. this year.

Marion Munoz, whose home is in Chile, stayed with the Debbie Lathon family. Debbie spent the summer of 1970 in Chile with Marion as an A.F.S. student. As an individual student, Marion came back with Debbie to spend a year at Elgin High.

This year's activities included bringing foreign exchange students to Elgin High to speak, sponsoring an international weekend for A.F.S. students, and raising money to spend students abroad. The officers were President, Beth Brunton: Vice President, Kathy Lentz: and Secretary-Treasurer, Judy Jones.

A European tour was a dream for the Senior A Cappella Choir, but on April 1, 1971 it became a reality. The choir traveled to Europe, giving concerts in each place they stayed, this included Vienna and Kitzbuhel, Austria and Heidelberg, Germany. It was quite an experience for everyone that went and has left many happy memories in the minds of both the students and faculty.

Besides their trip, the Senior A Cappella gave the annual Fall Frolics, performed the Messiah, and also gave their spring concert consisting of many of the numbers they performed in Europe.

Under the direction of Mr. Charles Beckman the choir presented excellent concerts and added much to the 1970-71 year, musically. The officers of the choir were Steve Rakow — president, Bob Christian — vice president, and Kathy White — secretary.

Practices and performances began early for the 1971 band. Homecoming numbers and marching patterns were launched in what proved to be a busy season for the band. The first concert of the year was held in the winter and was followed by the bands competition in districts, and a placing of first for Elgin. Next was the Fox Music Festival with seventeen of EHS' best participating in stiff competition, and emerging with ratings of superior and excellent. The bands final performance was in the spring, where Mr. Steensland directed the band in the Hemmens Auditorium. Officers for the year's band were; Ross Lowe — president, Steve Massa — vice president, Cindy Mann — secretary, and Kay Elrick — treasurer.

The Messiah concert followed in December, also performed with the Senior Choir. Later in the month the orchestra was invited to Princeton, Illinois to appear with the Bureau County Chorus in a performance of Handel's Messiah.

In February a Children's Concert was presented in the Hemmens Auditorium, featuring Congresswoman Charlotte T. Reid as guest narrator. This was followed

FOOTBALL

Seasons like the 1970 campaign can be frustrating to the coaches who feel that the material is there, the attitude for winning is there, but mistakes at crucial moments make all the work to no avail. Two great moment for the '70 Maroons (a come from-behind victory over East Rockford and a hammered-out 26-24 thriller over Larkin) were offset by seven losses, one of which (E. Aurora) was later moved to the victory column by forfeit. The depth of the varsity squad was signified by nine different players being named Player of the Week during the campaign: Ervin, Newman, Evans, Bruhn, Peterson, Funk, Steiger, Anderson, and Finley. Standouts in defense were Funk, and Evans, each scoring 134 defensive points, and Finley, Newman, and Anderson not far behind. Elected co-captains of the Maroons for the season were Jim Evans and Steve Finley. Voted positions of honor after the season ended Larry Ervin, Most Valuable Back; Greg Bruhn, Most Valuable Lineman; and Mark Clemens; Most Improved Player.

The young men felt victory because they worked when it wasn't required and never gave up. The anchormen for the team would have to include Mike Conroy, Captain Pat Driscoll, Roger Hopkins, Rodney Hopkins, and sophomore John Harris. For the first time, this season a JV team was started. In the future years there will be a JV conference. This years sophomore team finished 6th in the conference, tying for 4th in the conference meet.

GYMNASTICS

The gymnastics team was formed for the first time in 6 years. It was not in competition this year, but are hopes to become involved in meets next year. They gave demonstrations at half-times during basketball season. This year's team was composed of boys from all three classes. They were under the direction of Mr. David Brown.

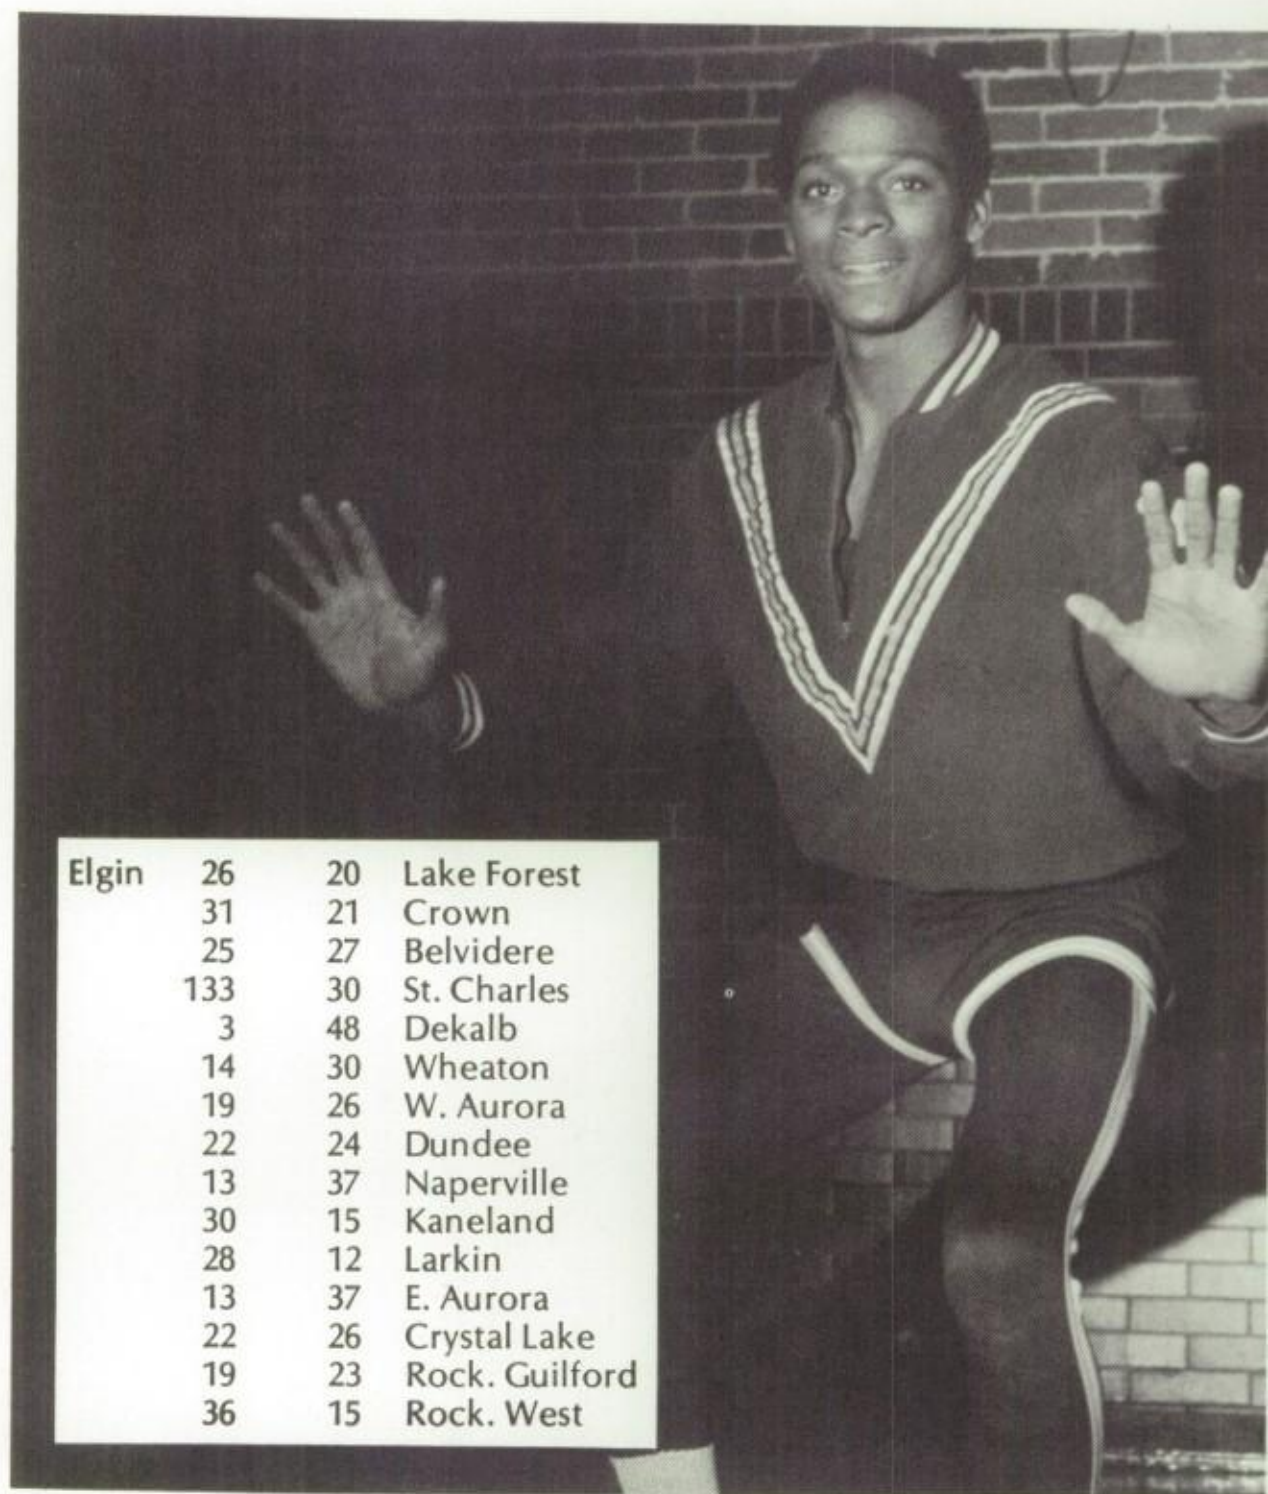

WRESTLING

Elgin High's wrestlers suffered a disappointing season with a record of five wins and ten losses. Though the team, as a whole, proved unsuccessful there were several outstanding individuals such as captain Larry Ervin. Voted most valuable wrestler, Larry finished second in conference, district and first place in sectional. This record was completed by his placing of second in the state tournament in the 145 lb. weight class.

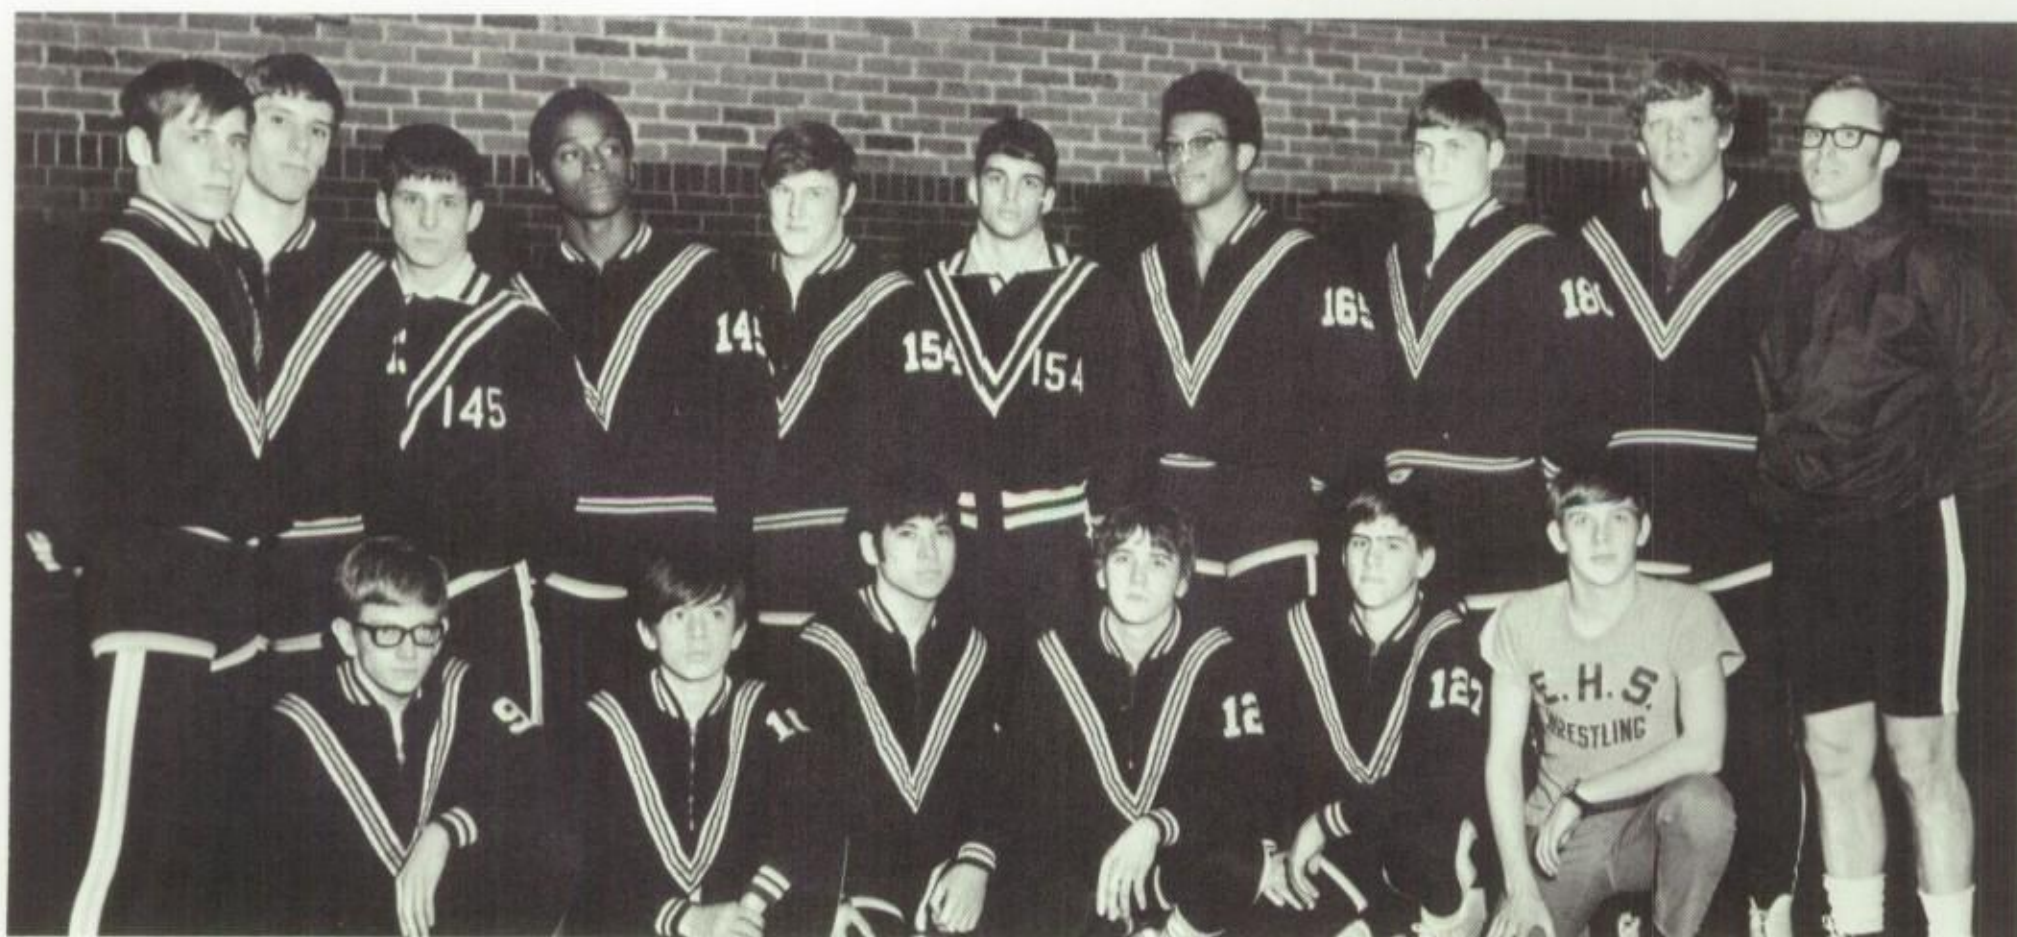

Other outstanding wrestlers, were Al Patrick, and Tryst Anderson who finished with records of 16-13, and 15-11 respectively.

Returning to next years squad will be Andy Williams and Gary Drymalski who proved valuable in this years tournaments and should set the pace for a great '72' season.

VARSITY BASKETBALL

Elgin's Varsity Basketball Maroons continued the school's winning tradition by producing a 14-10 season, highlighted by two close victories over a fine Larkin squad and an opening game victory over the perennially tough Waukegan Bulldogs of the Suburban Conference. The Maroons were led by Rick Hopkins, Captain of the team and All-Conference center, and Bill Chesbrough Jr., most valuable player. After running off five straight victories and climbing to 6th in the basketball ratings for the state, the Maroons hit a January slump from which they recovered in time for the Regional, where they played their best basketball of the season. Although the Maroons lost the championship game to Larkin, Coach Chesbrough was pleased with the '71 Maroons and optimistic about the future. He stated, "With the fine Soph team coming up, the future looks very bright for E.H.S. basketball."

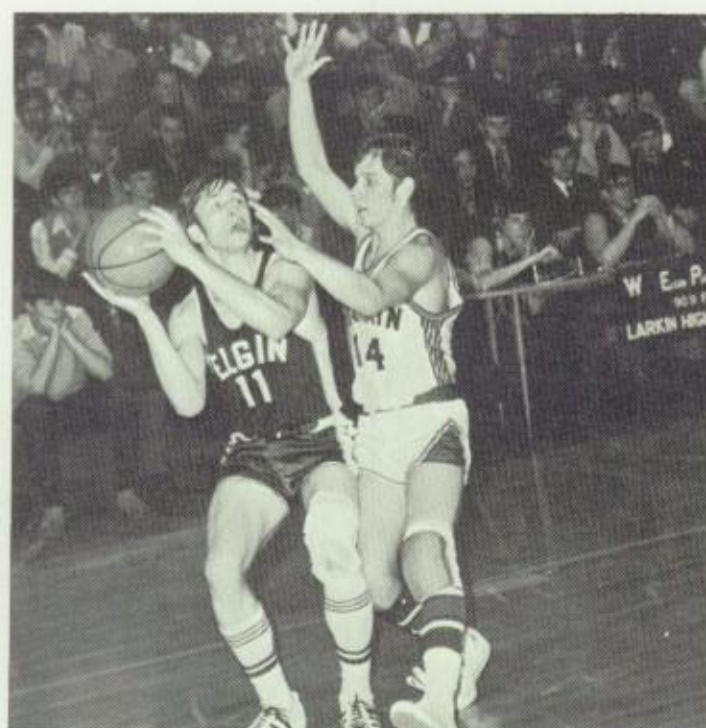

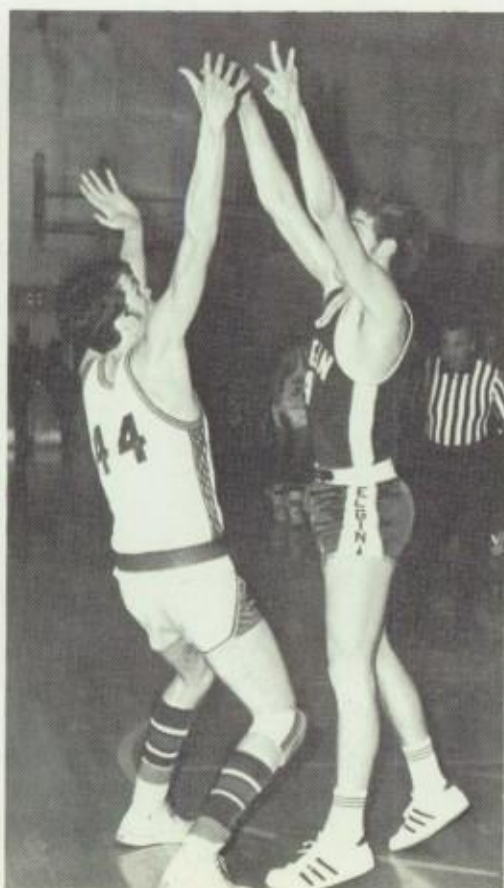

Captain Rick Hopkins demonstrates offensive moves that made him all conference center.

The Maroon Tankers enjoyed another fine campaign, despite a late season slump. An overall 12-6 record included a conference record of 7-1 and a third-place finish in the conference meet. Coach Jim Hamrin's squad qualified noone for the state meet, even though the team produced some district finalists. The team, dominated by Seniors, was versatile enough to change entries to adapt to their opponent's strengths. Jerry Messman was the Upstate-Eight Free-Style Champ. Captains of the varsity squad were Steve Rakow and Jerry Messman.

Coach Hamrin depended heavily on his co-captains, Jerry Messman and Steve Rakow.

The 1970 Maroon track team was handicapped by a lack of experience in field events. Its strength lay in the sprints, hurdles, and distance runs. Charles Buckhahn and Rod Hopkins qualified to compete in the state meet in the two mile run and mile run respectively.

The 1971 Track Season began in early January with the Maroons competing in nine outdoor meets. Highlights of the season were a second place in Conference meet and a third in the Kane County Meet, Rod Hopkins established new county, district, conference and school records in the two mile run and qualified for the state meet in that event.

With seasoned performers returning in all field events and in the distance runs, the Maroons are looking forward to a successful 1972.

BASEBALL

Under the tutelage of coach Phil Haffner, the 1971 Maroons contributed to the winning tradition. Elgin's baseballers amassed a 16-6 record which included district and regional championships in the state tournament and a second place finish in the UEC. The season was a tremendous success in lieu of the few veterans returning from the 1970 squad. Pitcher Jim Krueger, Elgin's flame thrower right hander, was chosen on the all * Conference team. The season came to an end with a 1-0 loss to West Rockford in the opening game of the sectional. The 1970 squad compiled an 18-4-2 record that led to downstate Peoria for the second time in Elgin baseball history. After winning the opening round game, a loss in the semi-finals meant Elgin could claim to be one of the four top teams in Illinois. Rick DeMay, Dennis Manic, and Chuck Wasinger were selected for conference honors, while burly catcher Ed Rockensock was named to the All-State squad.

With only two wins to show in their fourteen outings, the 1971 golfing Maroons surprised everyone by sharing a tie for first place in the conference meet. Their conference record of one win and five losses hardly made the victory predictable. Playing at Vill Olivia Country Club, the varsity golfers were led by captain and most valuable player, Jim McBride, who compiled a competitive average of 41.6 strokes per round. McBride, Dalluege, Massa, and Thomas won varsity letters for their efforts.

Captain Loren Johnson led the 1971 aggregation which finished fourth in district competition. Johnson was runner-up in district singles. Cheryl,

Hi! I never know
what to say in these
books but one thing for
sure you a real sweet &
cute kid & one of my b.
friends. Remember in 9th
grade & we used to hate
each other but also remem-
ber how we became best
of friends in our sophomore
yr. in biology class. (We made
a lot of friends in that class.
ha! ha!) Well gotta go.
Bye,
Love - n - Peace,
Deb

Cheryl,
To one of the nice
kids (girls) I've known.

 Hope to have you in one
 of my classes next year,
 See ya around.
 Donna
